PROFESSIONAL PROFILE

A full-time university student studying BSc (Hons) Web Design, Development & Analytics, with a strong passion for creativity, originality, and quality. Committed to continuous self-development with an eagerness for learning new skills such as programming, foreign languages, communication, and networking with people globally. Dedicated to creating accessible and visually engaging web content. Comfortable working both independently and as part of a team. Aspires to become a recognised name in the user experience industry, with a diverse skill set spanning web development, design, content creation, and user experience research and design.

EDUCATION

BSc (Hons) Web Design, Development & Analytics | Edge Hill University
October 2023 – Present (Graduation Year: 2026)

OCR Level 2 Award in IT User Skills (ITQ) | St. Helens College
October 2019 – May 2020

WORK EXPERIENCE

Warehouse Operative

Coop | Lea Green, St. Helens | February 2011 – Present

Outline

Working for a large company as an order picker, meeting and regularly exceeding expected targets, communicating with people from all levels of authority, holding good time management skills and an ability to work alone and with others. (Working hours reduced to one day per week, since 2023).

| • Programming | • Wildlife & Nature | • Gym |
| • Health & Nutrition | • Art | • Travel |
| • Cooking | • Music | • Reading |

ADDITIONAL INFORMATION

I am a mature final-year student at Edge Hill University, aspiring to become a professional UX Designer. Although I began my journey later in life, I have overcome significant challenges and developed a clear vision for my future. I know exactly where I want to be in the next one, three, five, and ten years, and I am fully committed to working hard to make those goals a reality.
