Adam Dulcamara *MBCS*

PROFESSIONAL PROFILE

Recent BSc (Hons) Web Design, Development & Analytics graduate with skills in web development, responsive web design, UX design and digital analytics. Proficient in HTML, CSS, JavaScript and SQL, with experience creating accessible, user-focused web solutions through academic and independent projects. Alongside my studies, I have maintained long-term employment in a fast-paced operational environment, demonstrating reliability, adaptability and strong organisational skills. Seeking graduate or junior technology opportunities to further develop and apply my technical expertise.

EDUCATION

BSc (Hons) Web Design, Development & Analytics
Edge Hill University | 2023 – 2026 | Expected 2:1

OCR Level 2 Award in IT User Skills (ITQ)
St. Helens College | 2019 – 2020

WORK EXPERIENCE

Warehouse Operative

Coop | Lea Green, St. Helens | February 2011 – Present

Consistently achieved productivity and performance targets within a fast-paced distribution environment while demonstrating reliability, teamwork and attention to detail. Developed strong organisational and time-management skills through balancing long-term employment alongside full-time university study and adapting to changing operational demands. Maintained a strong attendance record and commitment to high standards of performance.
